

Prof. Dr. Paul Ling Tai

D.P.M., FACFS, ABPS.

Prof. Dr. Paul Ling Tai is a trained Podiatric medical physician and double Board certified surgeon specializing in reconstructive plastic surgery of Ankle and foot. He is a member of the Orthopedic Surgical Reconstructive Team, Surgery Department of the Annapolis-Oakwood Hospital in Detroit, Michigan. He has served under two Michigan State Governors and was recognized with a Vice Chairman's position on the Michigan Board of Podiatric Medical Licensing and as Chief Examiner for new Podiatric physicians. He also served as head of Surgical Residencies. In addition to his various capacities, Prof. Dr. Tai has served as Chairman of the Podiatric Physicians Continuing Education, as well as Chief Compliance Officer for the state of Michigan, supervising doctors. He is also a professor in the New York College of Podiatric Medicine's Department of Integrative Medicine, a professor of Antiaging at University of Paulista (UNIP) in Sao Paulo, Brazil, Prof. Anti Aging at Pontifical Univ. Catholic, Belo Horizonte, MG., a Special Professor of Anti Aging at the University of UNAR, Brazil. Co-Coordinator for the Master of Science in Public Health, Anti Aging/Regenerative Medicine. Prof. Dr. Tai is the Official Latin American Delegate for the World Anti Aging Academy of Medicine (WAAAM), and Chairman of A4M Brazil. Prof. Dr. Tai is an expert in herbal compound engineering, research and development with Fourteen (14) U.S. Patents credited to his name.

A long time supporter, faculty member and lecturer of the American Academy of Anti-Aging Medicine (A4M), American Academy of Asia Anti Aging medicine (A5M), American Naturopathic Medical Association (ANMA), World Organization of Natural Medicine Practitioners (WONMP) and frequent lecturer at countless other Anti Aging & Health Conferences worldwide. Prof. Dr. Tai is also a member of the International Hormone Society and the World Society of Anti-Aging Medicine (WOSAAM). Prof. Dr. Tai is one of the academic contributing authors to the Anti Aging Medical Therapeutic publications published by the A4M and Diplomate Anti Aging Board Certification. His breakthrough technologies in Natural Health Supplements, Anti Aging Natural Skincare and Proprietary Bio-Hormone Liposome products have been featured in many renowned medical newsletters, television appearances, and radio health talk shows nationwide.

Prof. Dr. Tai is a Knighted physician and the Grand Physician General of the Supreme Council of the Sovereign Medical Order of Knights Hospitaller. He has helped thousands of patients and consulted countless doctors on difficult cases all over the world, earning him the title of the "Doctor's doctor" and "Doctor of last resort". Member of the Royal College of Papal Knights in Americas. Vatican, His Holiness Pope BENEDICT XVI.

Prof. Dr. Paul Ling Tai is the author of the best seller books "Cordyceps Miracles" and "8 Powerful Secrets to Antiaging"; co-authored with Dr. Alex De Souza, MD the new book "Fabulously Beautiful You". Soon will be published this year are his other new books "The Skinny Factor", co-authored with Dr. Steven Morganstern, MD, and "Noninvasive Plastic Surgery and Antiaging", a textbook co-authored with Dr. Alex De Souza, MD revealing the breakthrough technologies in healthy aging skincare, non-invasive plastic surgery, skin restoration and skin fitness, and latest breakthrough US Patent Weight Loss Technologies.
